Your Peacetime Garden. There is still a need for home gardens. Every family with any available ground should have a vegetable garden. Enjoy your fresh vegetables all summer and “can what you can” for winter use.

Food production is important. There are starving peoples all over the world, so let us do our share and reap a harvest of better health as well as better eating.

Beckert’s have been seed specialists since 1877. Our seed stocks are now complete but we cannot promise how long they will remain complete. Order early to be sure of getting what you want. We will be pleased to have you drop in and discuss your garden problems with our experienced clerks.

BECKERT’S SEED STORE, Inc.

U. S. Department of Agriculture
